

# **THE MOONLIGHTERS SNOWMOBILE CLUB**

**P. O. BOX 515, LONG LAKE, NY 12847**

**(518) 624-4700 (518) 624-2116**

## ***"Promoting a strong economic community through winter activity"***

We invite you to join Long Lake's fastest growing and most active winter organization, The Moonlighter Snowmobile Club. We host multiple activities, in the fall celebrate with us at our Annual Halloween Party. During the winter months we have several events including our Poker Runs, The Round Robin Dinner and Annual Winter Carnival. In the late spring is our Annual "Put Your Sled To Bed Party" this includes a cookout and live band.

Ownership of snowmobile is not a membership requirement. Our only requirement is that you support our goal and objective of "Promoting a strong economic community through winter activity". In essence through our endeavors we are supporting the local businesses in town and without them we have no winter activity. We return back to the community by making donations each year to the school scholarship fund, youth groups, emergency services and other worthy causes that arise.

As an added benefit of membership, the club pays your dues to the New York State Snowmobile Assoc. You will receive dues cards and news letters from both organizations to keep you informed of events and concerns.

We thank you in advance for joining and supporting our community.

Sincerely,

James Piraino, President

Carol Young, Treasurer

Harry D. Buxton, Secretary

BJ Reihm , Activities Coordinator
